The semester topper award is given to the candidate securing the highest SGPA in the semester in each Honours subject. The award is subject to the following criteria:

1) The candidate should secure a minimum of 8 out of 10 in SGPA.

2) The candidate should not be a repeater of the semester.

In the case of a tie in SGPAs, the actual percentages (calculated from the actual marks scored) are taken into consideration for deciding the rank. In the case of a further tie, the candidates are awarded the same rank and published in order of roll numbers.
