Action Taken Report

## Action Taken Report

Kohima Science College, Jotsoma conducted a One-Day Consultancy on NAAC Assessment & Accreditation with the non-Accredited colleges given under its care. **Capital College of Higher Education, Kohima** ([www.capitalcollegekohima.org](http://www.capitalcollegekohima.org)), **Don Bosco College, Kohima** ([www.dbeckohima.ac.in](http://www.dbeckohima.ac.in)), and **St Xavier College, Jalukie** ([www.stxaviercollegejalukie.org](http://www.stxaviercollegejalukie.org)) attended the program.

Dr Sanjay Sharma, former Coordinator, and Adviser, IQAC, Kohima Science College, Jotsoma was the resource person. He gave a power point presentation of the various Key Indicators under the 7 Criteria in the NAAC Manual and the introduction of  $Q_n M$  and  $Q_f M$ . This was followed by Q&A where several questions were fielded by the participants. The resource person and the Steering Committee members took turns to answer the questions.

This was followed by a visit to the various facilities of the college like the departments, museums, central library, research laboratories, RUSA programmes like the FloriCulture, and IQAC office. (This was the second visit to the college by Don Bosco College since the mentoring programme started)

Earlier the Coordinator, IQAC, Kohima Science College, Jotsoma gave the introduction and apprised the participants of the latest changes in the UGC-NAAC Manual and the need to have the institution assessed and accredited. He reminded the participants of the importance and advantages that entail a NAAC accreditation and the UGC plan to have all colleges in the county assessed and accredited with at least B Grade by 2022.

Remarks: 1. All the 'mentee' colleges are enthusiastic about NAAC assessment & accreditation and are working towards this end. They are working on their SSR and Don Bosco College and St Xavier College plan to submit their IIQA at the earliest. St Xavier, Jalukie has requested for another visit to their college by the 'mentoring' college. To this we are yet to respond.

2. All the colleges expressed their desire for the AAA. To this end they were informed the need to formally apply to the Directorate of Higher Education. The 'Mentoring' college feels that such an audit would greatly benefit them.

3. Baptist College, Kohima did not respond to the invitation.

4. Mountain View Christian College, Kohima till the time of conducting the Consultancy has been defunct.
