SSS Analysis

Using the Student Satisfaction Survey questionnaire designed by NAAC, we administered it to our 2nd, 4th, & 6th Semester BA, BSc, and BVoc students, and also 2nd & 4th Semester MSc students.

A brief analysis is given below

Objective: This multivariate estimate of the various areas mentioned above is to generate some useful feedbacks to teaching and learning. It is to strengthen quality teaching-learning environment and to look for opportunities to improve teachers' performance in classroom and laboratory engagements.

Response to each question is represented by a pie chart and each colored slice represents specific percentage distribution relative to the whole.
